...AMIDST THE RICH LIVING HISTORY OF THE PARK THEATRE

For 54 years, The Park Theatre was the center of community life in Jaffrey, presenting vaudeville and first-run movies. From 1940 until it closed, The Park Theatre was one of a limited number of MGM film houses.

Today, the spirit of the original Park Theatre building has been preserved, and its rich history lives on as audiences from near and far will enjoy world-class music, Broadway, film, classical, jazz, comedy, family programming and more.

Take your place amidst the rich living history of The Park Theatre by naming a seat today. Your gift will help assure that the Theater remains a central part of our community and region for future generations to enjoy.
